Acknowledgment

1. Receipt of an RCE filed 1/24/06 has been acknowledged and entered. The office has reviewed all the references cited in the IDSs and finds that non of the references read on the claimed invention. One particular reference of the IDSs has been used during litigation entitle "Radio Flyer model #77 – Restricted Turning Prior Art". Applicant has submitted a single reproduction copy of the product (Radio Flyer #77 – RF05434) for review and as best understood from the illustration, the reference does not read on the claimed invention. Based on this finding, the office believes claims 1-71 are in condition for allowance.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
